

Extended Day

The Extended Day program is created to be a less structured time where kids can spend time with children in other groups and relax after their very busy, structured day at camp. At Extended Day, children may choose to go swimming, play cards, do simple Arts & Crafts activities (i.e. gimp, coloring, etc), or play a game on the field with the sports equipment. Some children choose to spend this time reading a book or simply talking with friends.

Extended Day Schedule: At the end of the camp day, group counselors walk their children over to a designated "Extended Day" spot in the assembly area (Ropes Course). The staff takes attendance and then the entire group moves to the area near the pool for activity time. At 5:30, the staff begins to get the campers ready to go to Worcester Hall. Because there are a wide range of ages at Extended Day, this process can take longer some days than others. Usually, the entire group is in the lounge at Worcester Hall by 5:45. In the lounge, the campers are given a small snack (various types of crackers) and they may play cards, read books, or sit and chat until their parents come.

Important Information:

- In case of inclement weather, Extended Day will be in Worcester Hall the entire time. A counselor in the lounge will be able to tell parents which room your child is in.
- When you pick your child up, please be sure to sign out with the Extended Day staff.
- The Extended Day program ends at 6:00, although campers can be picked up at any time during Extended Day. **Please pick your child up on time.** If you are not going to be on time, or have any questions or concerns, please call the Director of Extended Day, Lisa, on her cell phone at 617-365-0867.
